White Lake Wetlands Conservation Area Driving Directions

The physical address is 16105 LA Hwy 91, Gueydan, LA 70542. However, a GPS will probably point you to a location 4-5 miles north of our office and boat shed.

From Gueydan, head south on Hwy 91 for 7 miles until the paved road becomes limestone. Once the road becomes limestone, continue about 100 yards south and you will see a khaki and green trimmed boat shed. Park in the gravel lot near the boat shed.
